

2010 ANNUAL CNS CHILI COOKOFF

Don't forget to make plans for our annual Chili cook-off on Saturday, March 13, after the Chapter Meeting! We have a number of cook teams signed up, but if you're not, don't worry; come on out with your cook team and just sign in when you get there! And, all cook teams get two entry fees free. We know for sure that a number of our members are pretty good at this, so there will be plenty of good food on hand.

If you are camping out, come out Friday to set up and get your spot (register with the American Legion at the bar), and join in the party on Friday night. Registration for the cook off (for members) will be open before the meeting on Saturday, as well as after.

Cook Teams: Make sure you are ready to serve food by noon sharp, or as soon as everyone is ready, whichever comes first. No early serving
